

## **Basic Policy on Social Contribution Activities**

### Basic Principle

In the spirit of “Fairness, Innovation, and Harmony,” and being aware of our responsibility as a corporate citizen in the global community, we will actively pursue social contribution activities.

### Basic Policy for Activities

From a universal perspective, we will adopt the following five priority areas: social welfare, international exchange, community contribution, global environment, and cultural support. We will also actively promote social contribution activities as a corporation, and support volunteer activities conducted by our executives and employees.
